November 26, 2018

Dear Members, Friends and Supporters:

The African American Historical Society of Rockland County (AAHS) invites you to join us for our Annual Meeting and Membership Program on Monday, December 17, 2018 at 7:00 p.m. The event will be held in the Technology Center, Ellipse Room at Rockland Community College, 145 College Road, Suffern, NY 10901.

The evening will begin with a brief business meeting that will update you on our accomplishments over the course of the year, underscore future projects and present the financial report. We will also discuss how the AAHS can better engage with the membership and community to uncover and highlight even more history within the county. Our digital museum is growing and we are excited to share this work with you. Enjoy a presentation regarding local African American activists who tirelessly organized and created change in our communities. And, we are proud to announce that author and educator, Dr. David Lucander will join us to discuss Civil Rights movements nationally. This timely event is certain to be informative as well as inspiring.

The AAHS is a membership organization and your contributions help us to continue researching and highlighting the history of the People of the African Diaspora in Rockland County. Please consider joining or renewing your membership in December. The Board also welcomes your increased participation by becoming a part of an ad-hoc committee, volunteering to help with programs, and helping to promote AAHS activities and attending events. Look for volunteer opportunities at our membership table.

This event is free and open to the public. Please pass the word on about this important gathering and bring a friend. Looking forward to seeing you on December 17th.

Sincerely,

Arlene Clinkscale, Co-President

Drusilla Kinzonzi, Co-President
